President's Strategic Task Force/FS Recommendations

I AM AT MEDICAL APPT. HOPE
TO BE THERE BY 2:30 PM. BUT
IN CASE NOT:

Idea is sound and important, but we would suggest the following changes:

- 1) Task force to be jointly called by President of UNM and Presidents of the Faculty Senate (so it would report to Schmidly and Wood, or Schmidly, Ortega, Roth, Harris, and Wood, rather than Wood sitting on it)
- 2) A smaller committee to allow efficient and effective work
- 3) Many administrators (HR, Legal, Strategic Communications, etc.) could serve as formal advisors to the task force, to be drawn upon as needed, rather than as task force members.

Thus, for a strong task force that could deliver on the mandate you have laid out, we suggest:

Leslie Oakes, ASM

Michael Dougher, OVPR

Carolyn Thompson, President's Office

Brenda Claiborne, A&S

John Trotter, SOM

Claudia Isaacs, Architecture and Planning

Ava Lovell, Controller

Melissa Vargas, Provost's Office

Pug Burge, SOM

Manuel Garcia y Griego, SW Hispanic Research Institute/History

Kevin Malloy, ECE/Physics

Edi Schamiloglu, EECE

Stephanie Forrest, CS

Amy Wohlert, Graduate Studies

Mandate: Look at organizational structure, suggest restructuring; and propose places to re-allocate resources (1.5-3% of budget) to invest strategically in the academic mission. Report monthly in meeting with Sponsors.
